Re: FOIA Request

Dear Ms. Cristeen Schena:

We are filing this request for records pursuant to the Freedom of Information Act, 5 U.S.C. § 552.

I request that a copy of the following be provided to me: all responses to any of the U.S. Environmental Protection Agency (EPA) CERCLA Section 104e information requests regarding the Keddy Mill Superfund Site submitted to the Region I office, except responses provided by or on behalf of S.D. Warren Company, dba Sappi North America.

If possible, we would prefer to have these documents provided in electronic format via email, although paper copies are also acceptable. My email and mailing addresses are provided above.

Sappi will pay the copying costs and the reasonable cost of printing any mechanical or electronic data compilation from which information can be obtained if necessary to make the record available, at the appropriate rates under applicable law. If the costs for reproducing the materials will exceed \$100, please contact me in advance with an estimate for such costs.

Sincerely,

Kenneth F. Gray
